

Stellelemente für Zentralverriegelungen V. 3.1

The Company

Alongside our many specialised solutions for automotive manufacturers, we also offer comprehensive solutions and services for the aftermarket. Spare parts of matching quality, supplied with the experience and proven expertise of an OEM supplier are a particular strength. Our comprehensive range of spare parts of matching quality is readily available and is synonymous with a perfect fit, simple installation and consistently reliable quality, offering significant advantages for distributors, workshops and consumers alike.

Das Unternehmen

Neben unseren speziellen und vielfältigen Lösungen für Automobilhersteller bieten wir umfassende Lösungen und Serviceaktivitäten für den Aftermarket. Hierzu zählen insbesondere qualitativ gleichwertige Ersatzteile, die wir mit dem Wissen und der langjährigen Kompetenz eines Erstausrüsters anbieten. Das umfassende und zeitnah verfügbare Leistungsspektrum an Ersatzteilen steht für Passgenauigkeit, einen einfachen Einbau sowie gleichbleibende Qualität. So bieten qualitativ gleichwertige Ersatzteile Großhändlern, Werkstätten und Endkunden gleichermaßen deutliche Vorteile.

L'entreprise

Parallèlement à nos solutions particulières et multiples pour les constructeurs automobile nous offrons des solutions et des activités de service étendues pour l'Aftermarket (marché de pièces de rechange et d'accessoires). En font partie en particulier les pièces détachées qualitativement équivalentes que nous proposons avec le savoir et la compétence de longue durée d'un premier équipementier de série. La gamme étendue de fournitures, disponibles à brève échéance, de pièces détachées représente la précision de l'assemblage, un montage simple ainsi qu'une qualité constante. Ainsi les pièces détachées qualitativement équivalentes offrent des avantages nets de la même manière aux grossistes, aux garages et aux clients finaux.

Nuestra empresa

Además de las soluciones especiales y variadas que producimos para fabricantes de automóviles, ofrecemos numerosas soluciones y actividades de servicio para el mercado postventa. Entre éstas destacan en particular los recambios de calidad equivalente, que ofrecemos al mercado con los conocimientos y el nivel de competencia, forjados durante muchos años, de un fabricante de primeros equipos. Nuestro amplísimo espectro de recambios, disponibles al poco tiempo de aparecer en cada modelo de automóvil, se caracterizan por su precisión de ajuste, su montaje sencillo y su calidad constante. Por ello, los recambios de calidad equivalente suponen por igual claras ventajas para mayoristas, talleres y clientes finales.

La società

Oltre a numerose soluzioni specializzate per i produttori di automobili offriamo soluzioni e servizi ad ampio spettro per il settore aftermarket (pezzi di ricambio e accessori). Tra questi rientrano in particolare pezzi di ricambio qualitativamente equivalenti che offriamo con il know-how e l'esperienza pluriennale di un fornitore OEM. La vasta gamma di pezzi di ricambio rapidamente disponibili rappresenta una soluzione ottimale, facilmente installabile e di qualità costante. I pezzi di ricambio qualitativamente equivalenti offrono pertanto ai distributori, alle officine e ai clienti finali notevoli vantaggi.

Компания

Помимо узкоспециальных и широкопрофильных решений для автопроизводителей мы готовы предложить комплексные решения, включая набор сервисных операций, для послепродажного обслуживания автомобилей. В частности, по качеству равноценные оригинальным запасные части, которые мы, как предприятие-изготовитель, предлагаем партнерам на базе наших знаний и многолетнего опыта. С учетом широкого спектра услуг и возможности поставок в кратчайшие сроки гарантирована точность изготовления изделий, простой монтаж и стабильное качество производства. Поэтому приобретая по качеству равноценные оригинальным запасные части у нас, оптовые покупатели, промышленные предприятия и конечные пользователи в одинаковой степени получают очевидные преимущества.
